Where was the humor

By A.

Maybe this just isn't my type of book, but I couldn't get past the first two chapters. I found it corny. The reviews said it was humorous. Great, if it were. But it wasn't what I deem as humorous. I would call it "corny".

Couldn't put it down.

By P. K.

For some odd reason I had it in my head that this was going to be a humorous mystery. I found the writing, story, characters, humor and adventure so captivating that I could not, and did not put it down until I was finished

Where is the plot?

By Martha Stanley

This was just a few days in the life of a fat girl. She and her wonderful boyfriend went on a ski trip. The end. Little plot, no real dramatic tension.
