Review

"A fun thrill ride of hot sex and sweet emotion. I can't wait to read more!" ~ Jaci Burton, New York Times Bestselling Author

"The writing is sharp and witty; the romance is steamy and fun; the storyline is clever and amusing - a perfect combination for a super read." ~ Wicked Reads

"ALL FIRED UP is a hot, sexy story, as well as a nicely written collaborative romance." ~ Fresh Fiction

"The characters are fun, the banter between the guys is HILARIOUS, the sex is steamy, and the bad guy is pretty skeevy. That's what I call a recipe for a good book!" ~ Reading the Paranormal

About the Author

Vivian Arend has been around North America, through parts of Europe, and into Central and South America, often with no running water. When challenged to write a book, she gave it a shot, and discovered creating worlds to play in was nearly as addictive as traveling the real one. Now a New York Times and USA Today bestselling author of both contemporary and paranormal stories, Vivian continues to explore, write and otherwise keep herself well entertained.

A RITA-award nominated author, Elle Kennedy grew up in the suburbs of Toronto, Ontario, and holds a B.A. in English from York University. From an early age, she knew she wanted to be a writer, and actively began pursuing that dream when she was a teenager. Elle currently publishes with Signet Eclipse, Harlequin Romantic Suspense, and Samhain Publishing. She loves strong heroines and sexy alpha heroes, and just enough heat and danger to keep things interesting!

ALL FIRED UP (DREAMMAKERS) (VOLUME 1) BY VIVIAN AREND, ELLE KENNEDY PDF

Welcome to book 1 of the DreamMakers trilogy. A collaboration from New York Times and USA Today bestselling author VIVIAN AREND, and ELLE KENNEDY, author of the bestselling Out Of Uniform and Killer Instincts series.

He's ready to lead the way

Parker Wilson never thought he'd go from battle-hardened soldier to romance expert, but after his stint in the Rangers, that's exactly what happened. As the owner of DreamMakers Inc., he helps other men win in the love department, using every resource available to plan the perfect date. When a routine recon turns into an unexpected night of passion, Parker's mission becomes more personal--and he won't give up until Lynn Davidson is all his.

She's more than willing to follow

Lynn is a goner from the moment she lays eyes on the delectable Parker. She's just ditched her boring almost-boyfriend and is tired of sticking to the straight and narrow. It's time to walk on the wild side, and what better way than in the arms of the most irresistible man she's ever met? But when their red-hot affair is threatened, it'll take a team effort to make their dreams come true.

Hardy Boys Meet 50 Shades of Grey

By Connie

For all of those who thought this was the best book you've ever read, allow me to express a different opinion without the literary scud missiles heading my way.

My first suggestion would be to read the sample before buying. The idea of having three alpha males (former military) planning romantic parties seemed unusual. Sadly, it degenerated into silliness.

Imagine our three vets being given a person's name and where she works, but then asking their secretary to contact their buddy at the police station to get her contact info. Hello! Internet anyone? ??

The dialogue is pretty stiff. Our heroine says things like "gosh" during a three - way encounter.

Apparently this kind of sexual hijinks is the norm for our saucy trio, yet right after the action, one of them wants to stake his claim and fly solo with the heroine. So a couple of hours ago, you couldn't have figured that out?

Having three hot guys following strange women around to find out their favorite color and other preferences just got lame. If they followed you into the grocery store to pick up a few items, how would they know you liked lobster and filet mignon for a fancy night out? "Hey guys! She likes Cheerios, whole wheat bread and mint toothpaste!"

At one point in the book, our GI Joes need to get to the heroine a.s.a.p. The wannabe boyfriend complains that they had to haggle with someone to borrow the guy`s truck for a couple of hours. He makes a mental note to kick the guy`s butt for delaying them over the \$100 price. So, action man, your girlfriend`s life is on the line. Why not toss the guy a thousand bucks? (Their company owns a freaking yacht.) Why not beat him up and grab his keys? This was too funny. I can hear it in my head. "Men, Lynn is in danger. Offer him \$40. No, he wants \$200. Try \$60! She`s worth it!"

Couldn't decide on 1 star or two. Two because the book was only \$.80. Definitely don't want to know more about what's coming next with Jack and Pepper. This wouldn't be on my reread list or as they would say in this book -- I. WOULD. NOT. READ. THIS. AGAIN.

****My whole post is a spoiler alert*****

By Karen Talley

Whoa! This book is SO not for me. I like sexy in a man. I don't like sleazy. And, I definitely think that men who ONLY view women as a quick fix for their raging hormones are sleazy. And threesomes? Nope. A real romance killer for me. I thought the premise for this book was cute. Three ex-military men setting up a

service to help clueless men woo their women sounded unbelievable but promising. I saw all kinds of comedic value here. It didn't take too long for me to think that this wasn't going to be comedy. I am not one to mind a little over the top language, but this was waaaay out there. I really liked how the dude "fell" for the hot chick doing the yoga when he was only supposed to be investigating her. So, then, why did his next encounter with her lead to three-way sex with his buddy? That was so romantic. NOT.. I quit reading and deleted during the first three-way. I can only assume there will be many more. I just don't care.

My Opinion

By Wendy Stittiam

I really wanted to like this book. It started out good and I was rooting for Parker but he shares the girl he's supposed to like with his friend. Who does that?! Then he wants a relationship with her. Baby bye not my thing.
