About the Hardcover Edition of this Book...

By Theseus

This book was first released in 1980 by Harmony Books and the quality of the illustrations here is superior to the later Random House Value Publishing release.

Red cloth over boards with gold print in a sewn binding; issued with dustjacket. 192 pp, 2.5 pounds. 163 color plates. After the images there is a 42 page catalogue raisonne which is certainly not as detailed as a catalogue raisonne found from an academic publisher, but which offers much helpful information.

Good... for Mucha fans.

By Malone Remington

Not much to say about this book... I needed a few large Mucha prints and in that respect this book served it's purpose.

Not even close to a full collection but definitely beautiful.

Keep in mind, this is a book of his works... not much else in terms of content and history.
