I'd been so ashamed of my desire for so long that I didn't even know what was right. How was it possible to be so in love with two men?

When Riley and Ronan moved in, Kelly's world was turned upside down. The two of them were perfect -- bodies like sculpted marble, sharp minds, and wicked, arrogant senses of humor. It's no wonder she followed them when they went off to the exclusive Everman College.

And it's not tremendously surprising that she rushed the sorority across from their frat house, Sigma Theta. After all, she is best friends with Riley and Ronan. It would be silly to part ways at college... the three of them have been a team for years.

But it's getting harder for Kelly to keep her desires hidden. The identical hotties are all she thinks about, even when there are other men trying to hit on her.

When the wrong guy hits on Kelly at the fall formal, how will Riley and Ronan respond? And when Kelly finds out what they've been hiding ... will she be able to handle what they give her?
