EMPHATIC: SOUL SERENADE 1 BY KAYLEE RYAN PDF

There comes a point in your life where you have to say enough is enough.

I wasted my college years on a guy who played with my head, played with my heart. I was blinded by the fairytale, the one that didn't exist.

The day I gave up on the idea of happily ever after, my focus became me. Moving forward and establishing my career.

Until one day...

I didn't expect him. My new boss, a six foot two, inked rock god. I believed I was working for the record label, I was wrong.

It's impossible for me to keep my distance, believe me I've tried. He's not who I expected him to be. He's so much more he's...Emphatic

Honestly this only got one star because it's the minimum.

By Ben

Omg I hate to say this because I love Kaylee Ryan so much but this book is so overly cheesy. The characters are totally 2 dimensional. No one had substance, flaws, quirks or even personality. Please take my advice. Don't waste your money or time like I did.

No adventure, no excitement.

By A. Kublay

It was a clean-cut story from the get-go. No drama whatsoever. Therefore, not a real life drama. Everything did go way too smoothly. So it was easy to guess the end almost from the beginning.

Yawn!

I agree with the other reviewers who described this as boring; in fact, boring is an understatement. I have not actually finished the book, but I am so sick of reading descriptions of Logan cooking simple meals and sliding them on to plates while Kacen says she doesn't have to, and she assures him she wants to!

There is zero character development, just endless mundane and repetitive shallow conversations. I have difficulty believing this was written by an adult.
