FAITH, HOPE AND CLARITY: A LOOK AT BIBLICAL AND SITUATION ETHICS BY GORDON KAINER PDF

Truthfulness. Morality. Ethics. Christians face fundamental questions regarding deep issues and everyday problems: Are there situations in life where obedience to God's law is not the most practical solution? Is lying always wrong? Situation ethics attempts to answer questions like these by affirming that doing the loving thing is a higher priority than obedience to God's law. The author endeavors to show how disregard for divine law, though seemingly attractive, reasonable, and practical, is untenable. The book reveals how a situationalist follows a misguided ego rather than an objective standard. Whether we manipulate others to suit our own purposes, lie to avoid embarrassment, or commit a minor indiscretion, it's just a quick fix, something that only lasts for a season. Discover how the eye of faith adheres to God's directives, unblinded by sin's attractive glow; it contemplates a lifetime, it considers eternity.

Faith, Hope and Clarity

By Mike L.

I purchased the Kindle version of this book in May. Since I made the purchase, I have read through it and refer back to it frequently.

Though I am of a different denominational background, I greatly appreciate the authors skill in teaching the importance of obeying God's word regardless of the cost.

This is a timely message. We are living in a culture that is increasingly pushing away God's standard while at the same time embracing, "Relative moral ethics."

God bless you Gordon Kainer for taking the time to write this book.

Sincerely

Mike L.
