Review

"I loved the book...! It speaks to women of any phase or perspective in life...I think it is useful to men as well; if a couple reads it, even better. Women who read it will improve their way of relating to the men in their life, and it will even help them to understand their past relationships and ease their mind. It also shows the value of living a spiritual life to our relationship. I highly recommend this book. You may be gloriously surprised, but you will not be disappointed." - Goodreads.com

"Great experience! It's obvious that the book is written under the power of God! I'm sure that many lives will be transformed. The book gives the real practical spiritual advice that is difficult to find in other books. People receive spiritual healing. I see the real changes happening in the lives of my friends who read the book. Good food for reflection."- Goodreads.com

"Very empowering and encouraging book! One of the best books I've read. I recommend it to every woman. It is full of God's wisdom, scriptures and examples of biblical greatest women. It brings our focus back on God, the only place where we can find confidence and joy to carry on the ministry of being a woman, wife and mother."- Goodreads.com

"I think this book is a best seller to this current generation. It is a wisdom book relevant to everyday life for teens, young singles and young marrieds. It is definitely a must read. I also give a 5 star rating to the illustrator for the original fanta-realism illustrations in this book." - Sally Hogg at Goodreads.com

"...I read this book in my early twenties and was pleasantly surprised that many of the questions I secretly had in the back of my mind about relationships (but never had the courage to ask or simply hadn't been in such a situation yet) were being approached and broken down in such a way that really made sense to me..By the time I finished reading I had placed sticky notes and post-its on several pages! This is a wonderful book and I highly recommend it to anyone interested in the search for love and themselves. I will certainly come back to and re-read it again in the future." - Goodreads.com

An inspirational book!

By EP

An inspirational book that offers a very deep and meaningful story about a woman's journey to finding love. The author writes from a spiritual perspective but her story is meant to reach a much larger audience because matters of the heart touch all of us albeit in different ways. Beautifully written, this book is a must-have for anyone who is searching for an alternative way of thinking about romance and affection.
