HOW SWEET IT IS (A LAKE HOWLING NOVEL BOOK 3) BY WENDY VELLA PDF

At sixteen Willow Harper learned a few valuable life lessons that molded her into the uptight, commitment-phobic woman she is today. Determined to have the security she sorely lacked as a child, Willow's sole focus is on furthering her career. No time for love, lust or romance - Willow is All Business. So when a chance to secure her future means a trip to secluded Lake Howling, Oregon, she leaps at the opportunity. Sure, it isn't New York City, but Willow's only planning on being there a few days, then she'll be back to the safety and anonymity of the city. But when the very man who's been haunting her fantasies for years appears in Lake Howling, suddenly Willow's carefully planned strategy is in tatters.

Buster Griffin is sexy, brooding and infuriating, yet somehow has the entire small town's inhabitants wrapped around his little finger. He's made it clear he won't be playing by Willow's rules, and now it's not only her career that's in jeopardy, it's her heart too.

Because Buster won't accept anything less than a complete takeover of Willow, and Willow's terrified of giving up control

Steamy, Fun and Genuine

By synergy

4.5 stars

Wendy Vella always brings the goods. I've been hooked on the Lake Howling series and the group of friends who star in it since, A Promise of Home, the first book. How Sweet It Is is Buster and Willow's story.

If you've been following the series, you know Buster is the strong silent type and a magician in the kitchen. We meet Willow when she comes to Lake Howling to convince Buster to accept an offer for a restaurant he owns in NYC. Until seeing him, Willow doesn't realize that the man she's seeking is the same one who used to make her amazing muffins and fuel her fantasies.

This is an engaging read, chock-full of interesting characters who have rich lives. In addition to offering a great story for Buster and Willow, How Sweet It Is also allows us to catch-up with characters from the first two books in the series. A nice perk.

If you like contemporary romance that is steamy, fun and genuine, this book is a must read.

I received a copy of this book from the author in exchange for a fair and honest review.

HOT BUNS!

By C. B. Freud

The Lake Howling gang is back. Finally it's Buster's turn to find love. Always there when others need him, and with delicious comfort food to boot, this gorgeous town cafe owner, is a good guy, even though on the outside he seems like the typical workaholic baker with a gruff exterior. What people don't know is he owns several cafes, and one in New York where he worked years prior. A daily patron, who incidentally had a major crush on him back then, shows up years later in Lake Howling to talk him into selling said cafe. And he was besotted with her as well back then, but never acted on it. After the initial shock of learning Buster wasn't an employee but the actual owner, Willow is now conflicted. There is an undeniable attraction, but there are reasons she won't reveal that require her to close the deal on the sale of the New York cafe. Also, Willow has some secrets about her past, and Buster has some pretty thick walls built after a failed relationship. Add all this up and you have a recipe for disaster before this relationship has a chance to grow. Can they rise above all these conflicts? You will have to read this book. It can be read as a stand alone, but I think once you've read this, you will fall in love with all the Lake Howling characters and read the whole series like I have. I am an AR so I can get them as soon as possible. Trust me, especially if you live in a cooler climate, this series will really preheat you oven! So, if you like a great cup of coffee, yummy hot muffins, and need I say it, A BAKER WITH HOT BUNS, you will love this book!!

Buster and Willow!

By Lori

I loved this story by Wendy Vella! This is actually the first book in this series I've read, but because the books are written as a whole book part of a series I didn't feel like I had missed out by reading them out of order.

Buster Griffin can be a little grumpy and abrasive, but even so those who know him seem to love him and women find him extremely sexy. He loves living in a small town and being close to his long time friends and family. After living in New York being home was just what he wanted and needed.

Willow Harper learned life lessons the hard way and found peace in her organized and structured life. She had her life mapped out and as far as she was concerned Buster Griffin was getting in the way of those plans. Who knew the man of her fantasies would be this infuriating man that blocked her at every turn?

I'm definitely looking forward to reading more of the books in this series.

I was given an ARC for an honest review. All conclusions are mine and mine alone.
