Though fashions may change, certain things never go out of style--like your favorite little black dress that can take you from a business meeting to a dinner party to a night on the town. But what makes it work is not the dress, it's how you present yourself while wearing it. A woman who is polite, well spoken, gracious, charming, and thoughtful is always welcome--though such women appear to be in short supply these days! Despite the headline-grabbing antics of certain flashy celebutantes, most of us would rather have respect--for ourselves and from our family, friends, and colleagues.

In this fully revised and updated edition, you will learn how to:

- Appear polished without sacrificing your personal style,
- Develop skills and discover interests to boost your self-confidence,
- Find your true friendships and make them stronger,
- Date Mr. Right instead of hooking up with Mr. Right Now,
- Land the perfect internship and your first job,
- Have a fun night without the risk of a social media faux pas.

With this insightful guide you'll be loving life with style, class, and grace in no time!

How to Be a Hepburn in a Kardashian World

By Oak

How to Be a Hepburn in a Kardashian World by Jordan Christy is an upbeat etiquette book for young women. The book covers the topics of social media etiquette, self-respect, using words wisely, working hard, choosing friends well, dating, choosing clothes and make-up, having a positive self-image, and making changes in the world.

What does it mean to be classy? Audrey Hepburn was classy in many regards, but she was also a chain-smoker. It seems like this book would be a better fit for a woman who already has a firm idea of what is classy and what is not, rather than an impressionable young girl. Christy's chapter on dating holds to a very John Eldredge type of philosophy, and I hope that young girls will not read this chapter and feel like all relationships should look this way; classy relationships come in many different forms.

I enjoyed reading this book, and found Christy's advice to be positive and thoughtful. The book would be a fun beach read. In each chapter, Christy even includes a cute quiz, such as "What Kind of Bookworm Are You?"

How to Be a Hepburn in a Kardashian World by Jordan Christy is a free NetGalley ebook that I read in early April.

Christy emphasizes the need to be kind in real life and on social media, the value of friendships, and not being overly flirty while offering a lot of opportunities for self-assessment, advice, as well as lists and personal inventories.
