Great book, a must have.

By Manuel E. Celi

I bought this one in Spanish for my niece, we all have our own copy, in English, at home, and we all check it out once in a while. If you want to fight procrastination, this is a MUST-HAVE. Steven keeps you interested and for this kind of book, that shows what kind of a great writer he is. Give this book to anyone you love and appreciate, even if they don't procrastinate, it is one of those books that you will take with you wherever you go, to make sure that you have a backup to get you going again if you take an extended vacation from your goals.

Ensayo sobre cómo enfrentarse a ese proyecto que llevamos años evitando. Un sopapo en la cara y un empujoncito

By Sergio Martin Cenizo

No es una novela pero sí relata una "batalla épica", la lucha entre nuestros más altos propósitos y lo que él denomina "la resistencia", aquello que se manifestará en todas las formas posibles para interponerse entre tu estado de miseria actual y tu objetivo final, la felicidad o paz como consecución de un proyecto cuya raíz está en lo más alto e interno de nosotros. Con su lenguaje directo y ameno se lee más como una charla con un buen amigo (que te está diciendo unos consejos demoledores pero necesarios de escuchar) que como un pedante ensaño sobre la psicología humana. Muy recomendable !!!!

Perfección y belleza es lo que hay en este libro.

By Dalila

Un libro sucinto y muy bien escrito que toca un tema de una manera natural, bien explicada y que además da soluciones.

Usa las palabras exactas sin escribir de más ni de menos. Solo lo necesario, es demasiado perfecto. Ameno y gracioso.
