A great help for our St. Martin Trip

By T. Hudgins

I got this along with the Cruising Guide book. Both are indispensable when trying to find the way into an anchorage. It *looks* simple enough from the charts they give you but it's great to have detailed instructions and clear pictures on where to go and what to do.

This and the book cover more area than I needed but I enjoyed looking and reading anyway.

Leeward Anchorages Opinion

By Paul Bollinger

Absolutely beautiful pictures with excellent markings for anchorage, reefs, and ship channels. It is a very good compendium to Chris Doyle's Cruising Guide to the Leeward Islands. Not as a stand-alone publication as it says, it is specific to anchorages. It will make for an excellent calendar in the future!

Lost of Info

By Lawrence C. Woods

Provides a lot of information. Like having a friend who lives local. Picks up where charts leave off.

Anchorage that is protected from weather is valuable info.
