About the Author

AA Michigan native who studied writing in school, Donna first came to Vegas to make costumes and soon was weaving the stories she heard in the back of the girls' dressing room into her first novel. Now she is the author of The Alexandra Merritt Mysteries, which include 'The Last Two Aces in Las Vegas', 'The Las Vegas Desert Flower', 'The Las Vegas Special', 'Rough Ride in Vegas', 'M.I.A. Las Vegas' and the recently released 'The Las Vegas Sophisticate'.

Donna has written several other stand-alone thrillers, 'Desperate Ambition', about a political assassination, 'The Right Society', about a devout Christian family that moves into a religious community and finds it's easier to get in than it is to get out, and The Other Hand, about a famous athlete who leaves his family for a young, virginal girl. Shortly after they divorce, she winds up slaughtered. He is the primary suspect, but not the only one. Donna has a popular series of historical romances, The Manhattan Stories, 'Jessica', 'Pillsbury Crossing', 'The Cabin', 'Kimimela', and 'D'Arcy Curran'. A sixth and seventh in this series will be released soon.

Her light-hearted work, 'Conversations With Skip', is the story of a shelter dog adopted by a young woman having trouble sleeping after her divorce. With his unusual ability to communicate, he is soon running her life, arranging her romances, and teaching her to laugh again.

Her most popular novel, 'Maude', the story of her Grandmother, is a #1 best-seller on Amazon and has spent multiple weeks on the Wall Street Journal's Top-10 list. 'Maude' is now available as an audiobook, was recently released in Italian and is currently being translated into Russian, German and Slovak for upcoming international editions.

She has also written three screenplays, a stage play, poetry, short stories, and a children's story.

Donna stills takes occasional classes at UNLV and at writer's conferences and is an active member of the Anthem Author's in Henderson, NV.

MAUDE BY DONNA FOLEY MABRY PDF

In 1906, I was barely over fourteen years old, and it was my wedding day. My older sister, Helen, came to my room, took me by the hand, and sat me down on the bed. She opened her mouth to say something, but then her face flushed, and she turned her head to look out the window. After a second, she squeezed my hand and looked back in my eyes. She said, "You've always been a good girl, Maude, and done what I told you. Now, you're going to be a married woman, and he will be the head of the house. When you go home tonight after your party, no matter what he wants to do to you, you have to let him do it. Do you understand?" I didn't understand, but I nodded my head anyway. It sounded strange to me, the way so many things did. I would do what she told me. I didn't have a choice, any more than I had a choice in being born.

Great book. I couldn't put it down

By K. Nusbaum

I read the reviews and laughed a bit because a few of the reviews I read seemed to be from people who knew this family personally. Since it was only 99 cents, I thought it was book written by someone who threw it together and pawned it off on her neighbors, but it was really a great book. It is told in the first person, in the voice of Maude. It's an honest book and written in plain words, like you would use to talk to your friend over a cup of coffee. It covers 1906 through the late 1960s. I found the time span interesting to see Maude go from using horses for transportation and using an outhouse to finally having her husband work for an automobile plant in Detroit and having indoor plumbing and electricity. The books spans the lives of her children and grandchildren and is very relatable. I read it in just two days. For 99 cents, this is a great bargain.

A Life Lived

By Maryanna b.

And like life is...not perfect. Donna Mabry takes us on a journey through her Grandmother's life, bare and raw and heartwarming. She takes stories her Grandmother told her and fleshes out each character so the reader can feel the love, the pain, the longing and losses. I cried through the book which I could barely put down. If you like a book that stirs your feelings about a person who survives the hardships of life with strength and courage, you will love Donna 's Grandmother, Maude.

wonderful story!

By JKReads

I was enthralled with this book. I am so glad you shared this, Ms. Mabrey. Not only is it a retelling of an interesting lifetime but it also gives firsthand insights into the Great Depression, women's suffrage, WW2, and how it affected American society. I commend Ms. Mabrey for her storytelling skills and will be reading more of her works. ETA: I noticed that this story is getting criticism for being 'depressing'...life was harder in a lot of ways for women back in those days and Maude didn't have as many options as we do now. When I was a child my grandparents shared stories with me about what life was like for them during the period that this book was written, i.e. making 50 cents a day as a farm laborer, living in a tent with three small children at nineteen years old, and it was a much tougher existence. Regarding her son who was obviously mentally ill, little support was offered back then as well. I think Maude did her best with the cards she was dealt. She obviously was a loving grandmother to her granddaughter, the author.
