The Beginning of a great adventure you will never forget

By carolyn Costello

This book stands out above all the other Minecraft books, it is about a 4/2

foot tall Enderling who gets bullied in terrible ways, and begins a journey to return him, his best friend, his bullies, and all the Endermen back to The End after a mean prank and finding Ender Pearls from his crush after she dies. I highly recommend this book for all ages.

This book is great

By William D. King

If u like minecrafter and diary of a wimpy kid, this book is for u. When Piers the short enderman gets pulled a prank on, that gets someone hurt, his life is changed. I definitely recommend this book and its series. Please leave an @ sign in your review if my review helped. Thanks!

This is like the best book EVER

By Kurt Gerber

Well I love to play on minecraft and this kind of helped me grow my imagination a little more. I am only 8 but I have already built a whole city in minecraft. So this really helped. If you are/have a child and they play minecraft. You should really get this for them.
