## From Booklist

Another entertaining entry in Kinsella's unabashedly fluffy Shopaholic series. Life could not get any better for Becky Bloomwood, the irresistibly daft heroine of *Confessions of a Shopaholic* (2001) and *Shopaholic Takes Manhattan* (2002). She has managed to parlay her personal and professional passions into a dream job as a personal shopper at Barney's, and she and her wildly successful boyfriend live a life of relative peace and prosperity in Manhattan's West Village. Well, at least they would if Becky could manage to curb her extravagant spending habits a bit. When Luke finally pops the question, a euphoric Becky manages to entangle herself in another rather sticky predicament. Becky's cozy mum back in England has planned a homespun wedding for her only daughter on the same day for which Luke's frosty society mother has booked the Plaza in New York. Two weddings on the same day, what's a committed consumer to do? Chock-full of the charming antics and asides that made the first two installments hilarious best-sellers. Margaret Flanagan

Shopaholic Ties the Knot

The irresistible heroine of *Confessions of a Shopaholic* and *Shopaholic Takes Manhattan* is back!--in a

hilarious tale of mothers and daughters, mothers and sons, and one blushing bride who just can't say no to saying "I do."

Life has been good for Becky Bloomwood: She's become the best personal shopper at Barneys, she and her successful entrepreneurial boyfriend, Luke, are living happily in Manhattan's West Village, and her new next door neighbor is a fashion designer! But with her best friend, Suze, engaged, how can Becky fail to notice that her own ring finger is bare? Not that she's been thinking of marriage (or diamonds) or anything...

Then Luke proposes! Bridal registries dance in Becky's head. Problem is, two other people are planning her wedding: Becky's overjoyed mother has been waiting forever to host a backyard wedding, with the bride resplendent in Mum's frilly old gown. While Luke's high-society mother is insisting on a glamorous, all-expenses-paid affair at the Plaza. Both weddings for the same day. And Becky can't seem to turn down either one. Can everyone's favorite shopaholic tie the knot before everything unravels?

Becky rides off into the sunset

By Mr. Joe

SHOPAHOLIC TIES THE KNOT is the third, and apparently last, in author Sophie Kinsella's "shop till you drop" series starring Becky Bloomwood. The preview at the end of this book introduces a new character, Emma Corrigan, first appearing in 2004 in CAN YOU KEEP A SECRET.

In CONFESSIONS OF A SHOPAHOLIC and SHOPAHOLIC TAKES MANHATTAN, Bloomwood is continuously rendered incapable of rational thought by the euphoria of material acquisition, usually clothes and other trinkets, using credit she doesn't have. In SHOPAHOLIC TIES THE KNOT, Becky's penchant for denial and disaster ascends to a higher plane after Luke Brandon, her carried-over boyfriend from the

previous book, proposes marriage. Should she be joined with her Prince back home in Oxshott, England in a garden ceremony being lovingly organized by her dear Mum and Dad for their only daughter? Or married in a posh, extremely expensive affair at New York's Plaza Hotel, paid for by her despised mother-in-law-to-be, Elinor. If you know Becky, you'll realize there's no simple answer. Choosing one and saying "no" to the other just isn't an option.

Becky's ditziness has always been one of her most endearing (and exasperating) qualities (along with generosity and a basic good-heartedness), providing the reader with an unending stream of hilarious scenarios. Perhaps the single most side-splitting episode in this novel occurs when Becky's best friend Suze goes into premature labor while the two are on an afternoon outing in London. Not in possession of her going-to-the-hospital bag, Suze dispatches Becky into a department store to put one together - one that eventually includes an inflatable canoe!

Because SHOPAHOLIC TIES THE KNOT is apparently Becky's swan song, the last three chapters come across as a somewhat forced attempt to tidily end the saga of a rampantly untidy personality. Because of this, I almost gave less than the usual 5 stars to a Bloomwood adventure. But, I relented in the end because this series has been so consistently entertaining. I'm grieved at Becky's departure, but am excited about Kinsella's new burst of creativity with a differently dysfunctional heroine. I guess Becky finally grew up.

Shopaholic Does it Again!

By Kala

Shopaholic Ties the Knot is the third book about Becky Bloomwood and her boyfriend Luke. Becky has moved to New York and now has the absolutely perfect job, personal shopper at Barneys! She's blissfully happy with her job and wonderful boyfriend, Luke. When he proposes, she couldn't be more thrilled. Until the battle of the mother-in-laws starts.

Becky's mother wants her to get married back in London, while Luke's overbearing mother wants an all-out, no expenses spared wedding at the Plaza. Both sound good to Becky and with Luke stressing out over work, she ends up not saying no to either wedding! So now she has two weddings being planned on two continents on the same date!

This novel is yet another wonderful story by Sophie Kinsella about an intriguing and fun character who has a shopping obsession! The thing I liked better about this book over the previous two is that it focused more on Becky and her relationships with her mother and Luke, and had slightly fewer shopping trips. Becky is still the same hilarious girl, always entangling herself in some kind of mess - but I felt this book delved a little deeper in to her and some of the other characters in the book.

Shopaholic Ties the Knot is another great read by Kinsella, I highly recommend picking it up along with Confessions of a Shopaholic and Shopaholic Takes Manhattan. All three are light-hearted and fun, very easy to read and very difficult to put down once you start.

More fun with our favorite drama queen

By Stephanie Dragon

Becky will never change. She never learns from her mistakes, but she always lands on her feet. In this third visit with our gal, she is still spending too much money on ridiculous things and trying to hide it from herself and everyone else, and she's still lying compulsively in situations where the truth probably wouldn't get her into trouble. Becky isn't someone I'd want to know (WAY too high maintenance), but I do get a kick out of reading about her, maybe just so I can feel a teeny bit superior. Sure she's self-centered and greedy, but she really is a pretty nice person underneath it all, so you can still find yourself rooting for her to come through in her typical fashion of [goofing] everything up and then finding a bizarre solution. The irony of how much she is like her manipulative, superficial mother-in-law-to-be is totally lost on Becky, but no matter. You'll like all the right people, dislike all the people you're not supposed to like, and even though you'll see the end coming a mile away, you'll still have fun when you reach it. The "Shopaholic" series isn't deep reading, it's

the kind of light, fun fluff you pick up when you want to kill some time, smile a bit, and not think too hard. If you haven't met Becky yet, I recommend you start at the beginning of the series instead of at the end--it takes some time for Becky to grow on you, but it's pretty likely that she will.
