DELICIOUSLY DARK AND DELIGHTFULLY ENTERTAINING !!!

By jlswainsboro/Judy Lewis

Title: Strife Part Six

Series: The Strife Series

Designation: Book Six of a Multi-Installment Serial, Not A Standalone

Author: Sky Corgan

My Rating: FIVE DELIGHTFULLY WICKED STARS *****

Yowza! Sky Corgan has gone and done it again! And just what has she done, you ask? She's dazzled her readers with yet another riveting serial and what a sparkler it is! Strife is her latest offering and will be released in multiple installments so please be aware, there will be cliffhangers. Each book is a relatively quick read with only approximately 40 to 45 pages which makes it perfect for a quick break or lunchtime treat. Personally, I love the excitement and anticipation of a well written serial with a great oh my god cliffhanger and Sky Corgan is a master of her trade. She knows exactly how to tease, tantalize and titillate her reader for maximum effect in order to create the pinnacle of a wonderfully entertaining experience. Strife is an extremely well written dark and compelling romance with complex characters but what is most surprising in this story is the underlying element of humor which I find that I very much enjoy. The story is told in the first person by the two primary characters, Pepper Kimbrough and Dmitri Strife, with alternating his and her points of view by chapter which just happens to be my favorite style of storytelling. Although the story is classified as a dark romance, it's anything but gloomy. It's exciting, fast-paced, appealing, realistic, romantic and seductive. The characters as always shine brightly in Sky Corgan's work and these are no exception. They are fascinating, captivating, engaging, relatable, sexy as sin and sometimes quite humorous. Corgan skillfully combines these elements into an enticing and divinely entertaining experience for her readers.

Book One: Pepper Kimbrough came to Hollywood to fulfill her dream of becoming an actress. That was Plan A. Unfortunately, Plan A hasn't worked out so well. Of course, neither has her life but she's managed to

survive, albeit by the skin of her teeth. She may not be innocent and vulnerable but she's definitely desperate. And hence, her current predicament - down on her knees with her head in James Sumner's lap with her mouth on his.... well, you know where her mouth is. Yep, this is now her life and this is what loosely passes for a somewhat questionable interview for a job - or at least she hopes. No, life certainly isn't beautiful, not for people like her - at least not yet. Sometimes, it's as ugly as your own worst nightmares and this is definitely one of those times. The only question: Is Pepper strong enough to survive it??? The memories of her past say no but her determination and inner strength say yes. Now it's time for Plan B: Please this jerkwad Sumner, get the job as a call girl making \$500.00 an hour, save her money, go to college, then become rich and famous. But is she really willing to sell her body as well as her soul to accomplish her dream and yet somehow, still hang on to her sanity? Or ultimately risk her sanity to fulfill her dream? She's been through worse and it's not forever, right? Right!? She can do this and stay sane; she could be a escort/call girl, couldn't she? It's actually rather ironic since she had actually grown up rich and now she's only one breath away from homeless and starving. This is all worth it, isn't it? With only \$9.03 left to her name, it has to be. She no longer has a choice. Or does she???

Rock Star Dmitri Strife has conquered the musical stage and now he's ready to conquer the big screen stage in Hollywood with his first starring role as Brodie Grant in the upcoming new movie, Master of Payback. He's just arrived and it's his first night in "tinsel town". His friend John is surprising him with a night on the town and it does turn out to be quite the shock. Instead of going to a club, John is taking him to a private brothel with beautiful babes galore, all willing to submit to his every desire. Oh my! But Dmitri has had his fill of endless nights of booze, never ending parties and meaningless sex with women always looking to use him as a means for fame and fortune. He doesn't want to be caught up in that nightmare again and almost leaves - until he sees her - the beautiful, blonde that wanders onto the balcony where he's hidden in the shadows. She looks so innocent and so sad. He can't help himself; he needs to know her name. But surprisingly when he approaches her, she doesn't seem to recognize him. He just won't tell her who he really is so he tells her his name is Brodie Grant, the name of his movie character, instead. This night may work out after all. Hmm... I wonder?????

Book Two:

Pepper, who has been given the moniker of Alexis by her boss James Sumner, spent her first night as an escort talking with Brodie/Dmitri and NOT having sex. Huh? Nope, no sex. During their night together, Pepper/Alexis confesses to Dmitri/Brodie that she was adopted but the day after graduating from high school, her parents kicked her out with only \$700 and said they never wanted to see her again. What the heck? Pepper feels like a complete failure after not being able to seduce Dmitri/Brodie and begins to have serious doubts as to whether she can actually continue this job but unfortunately she's out of options so it's this or starve. But Pepper soon realizes that she may be in way over her head. Thirty five year old Dmitri Strife is very much looking forward to meeting his co-star, Marie Overton. It has long been his dream to meet and woo the beautiful sophisticated movie star and knows this is the perfect opportunity. Apparently she doesn't feel the same since she didn't even bother to show up for the cast luncheon so there will be no date tonight with Marie Overton. So, what's a handsome, successful heartthrob to do??? Request another night with Alexis/Pepper, of course!!! Oh my! And still, no sex! But strangely, Dmitri finds that he enjoys being with Alexis/Pepper and is drawn to beauty and her innocence and is somewhat puzzled by his feelings toward Alexis. He knows an association with her could be dangerous for his career but he can't seem to stop himself. He convinces himself that it's just the easy camaraderie he experiences with Alexis and nothing more.

Book Three:

Dmitri has started filming and finally meets his co-star but at first, Marie seems mildly interested in him. She leaves before he can ask her out. But is he still interested in her? Or would he rather spend time with Pepper? Hmm...Is his interest due to sympathy for Pepper's plight or possibly or is it real friendship he feels for the lovely young Pepper? Or could it be something more??? But the feelings Pepper/Alexis feel for Dmitri are far from friendly. Pepper/Alexis enjoys her time spent with Dmitri and more than a little attracted to him.

She hopes to see him again and a small thread of hope is born that maybe, he may just feel something for her other than physical desire. James informs her that Dmitri has indeed requested her company again for the night. I wonder if Pepper/Alexis will be able to seduce Dmitri this time???. And yes, Pepper/Alexis now knows that Brodie lied to her about his identity and is really Dmitri Strife! Oh my goodness!

Book Four:

Dmitri finally has the chance to ask Marie Overton for a date - and she accepts. But the long awaited date falls short of his actual expectations. Despite their great on screen chemistry, Dmitri is just not feeling a real connection with Marie. It seems, all Dmitri can think about is Pepper. Yep, his thoughts are filled with everything Pepper. It's only been one night since they were last together but he wants to see her again. And it also seems that Dmitri may have finally realized that he wants to do so much more than just see her and be her friend. He wants the beautiful young Pepper but will she still be the same innocent escort? Or did she have a client last night? Dmitri doesn't want anyone else to have Pepper and he's shocked at his own self revelation. He wants to be the only man to touch her beautiful body. What's a rock star to do? Request another night with Pepper, of course! No matter the cost! This is their third night together, so will they or won't they?

Book Five:

They will and they do! Oh my! And it was fabulous - or at least it was until Pepper surrendering to temptation, took a sneak peek at Dmitri's phone and saw the text message from Marie Overton. Oh no! Oh yes! Another brittle piece of Pepper's already fragile heart shatters in her chest as she realizes that Dmitri is like all the other men she's ever known, a liar, a user, a player and never to be trusted. And her conclusion about Dmitri is certainly reinforced when she sees Dmitri and Marie Overton together at a club on the same night he has already arranged with James to have her for the evening but fails to show but leaves her a note feigning a business engagement. What? And the final nail in Dmitri's coffin is Marie kissing Dmitri - on the mouth! Oh no! Oh yes! What will Pepper do now? Will Pepper still want Dmitri after becoming aware of his relationship with Marie Overton? More importantly, what will Dmitri do now that he realizes he may not want Marie Overton after all. Marie Overton is certainly not the person he imagined her to be?

Book Six:

As Dmitri witnesses the look of betrayal and pain on Pepper's beautiful face as a result of Marie's possessive kiss, he realizes that Pepper cares so much more for him than she claims. And surprisingly, that fact pleases him but along with that revelation also comes the realization that he wants Pepper, not Marie Overton. He now also must admit that he is falling in love with the escort, Pepper Kimbrough. Pepper may refuse to admit the truth, but it's obvious that she needs him; but even worse, he needs her just as much if not more. Oh my! The publicity of being seen with an escort could destroy his career. Unfortunately, that doesn't discourage his need for Pepper. He just needs to talk this over with someone but who can he trust? His old friend, John, of course. You remember, the one who was responsible for him meeting Pepper. Oh no! That may not have been the best idea. And just why was that such a bad idea? Because after John encourages him to break things off with Pepper, he calls and books Pepper for himself! Oh my! What now Dmitri? How will he ever get Pepper to trust him again?

After a confrontation with Dmitri, Pepper arrives at her job the next night only to discover from James that Dmitri has not requested her for another night but he has recommended her to John who has requested her services for the night. What? Oh my goodness! She is sickened by the thoughts of being with another man but everything Dmitri told her were lies! Just when she's ready to change her life, he betrays her - again! Can she continue to be an escort? Does she even want to???

It seems Dmitri and Pepper both have a decision to make - an important one that will affect their careers, their lives and their futures. What does each truly want? Whom does each truly want? What will they decide? No spoilers from me but I will say this...Beautiful young woman who came to Hollywood to fulfill her dream of becoming an actress but has fallen on hard times and is now broke and almost homeless-check! Handsome rock star who is tired of his life as a famous musician and has come to Hollywood for his first starring role in a movie-check! An unexpected meeting of two lost souls-check! Lies, deceit and betrayal-check! Heated

attraction, fiery passion, heartbreaking angst, sweet romance and dreamy sex-you bet! That and a whole lot more! Fabulous entertainment and an awesome read! I can hardly wait for the next installment!

Part 6, WOW! It just gets better and better!

By Beth in Ohio

WOW! Another a great installment of the Strife series. This roller coaster just gets better and better. The ups and downs of

Strife 6 continues from the kiss at the club that Marie gave Dmitri right in front of Pepper devastating Pepper and driving her to leave the club and go home not only leaving Dmitri behind but also leaving Claire to get herself home from the club. Pepper goes home and deals with her feelings about Dmitri and betrayal and jealousy she feels because of the kiss.

The next day Pepper goes to see James and gets a 5 figure paycheck??!! That night Dmitri has requested her again and when Pepper shows up, he has a huge bouquet of roses for her but she throws them back at him and tells him to give them to Marie and he tells her that it's not like that with Marie. Pepper undresses to get this night over and done with but when Dmitri says he wants to talk, Pepper gets dressed and goes home. Dmitri tells her that he will call James and tell him that Pepper got sick and left early. The next day, she goes to school to enroll in classes then rents a new apartment closer to James' place and away from Claire, she also buys new clothes that she hopes will meet with James' approval and also buys accessories. She thinks about buying a car but decides against it, instead she put the rest of the money away for a rainy day.

Dmitri on the other hand is angry with Marie for kissing him in front of Pepper and the public and finally tells Marie that he always thought that their relationship was just for publicity and never personal because he now realizes that he is in love with Pepper but can't have her and after the kiss, she will probably will never want to see him again. Yet he requests her again the following night but when Pepper comes to his room he again has left her a note expressing some of his feelings and tells her that he doesn't think that she is cut out to be an escort. He tells her to go home and take the night and that he'll call James later.

Later, Dmitri calls his manager John to talk about his relationship (or lack thereof) with Marie and his wish of a relationship with Pepper. John advises Dmitri to move on, dump Pepper and start up with Marie again in order to propel his star status to the next level. Dmitri leaves John and goes back to his hotel and mulls over what John has told him. He wakes the next day to go looking for a condo and get out of the hotel. But he can't get his mind off of Pepper.

At the same time Pepper is getting ready for her next assignment which she assumes will be Dmitri and she is excited to see him and be with him. Now that he left her that note, she knows his feelings (or at least she thinks she does) for her, she wants to spend time with him. She spends more time getting ready than usual and then heads off to James' office to get her assignment, Dmitri. But imagine when she arrives and finds out that Dmitri didn't order her that night but she does have an assignment for the night, her client will be.....well, I'm not going to spoil everything for you.

It's not too late to get in on this amazing, scary, thrilling, touching, frustrating and sexy series. By the way, I received this book free in exchange for an open, honest review. This series is a roller coaster ride from beginning to end (although we don't know the end yet) and it definitely worth the price of admission. Don't miss out on this incredible story!

Talk To Me

By Mary Clark

Part 6 was extremely well-written and intriguing, and I thoroughly enjoyed the storyline; the author continues to tease and entertain the reader with “what ifs”, almost drawing the story out to the point where you almost wish Pepper and Dmitri would get “caught”. Marie and Dmitri are out for the evening at the Club, but their drinking encourages Dmitri to become flirty and Marie bolder. Everything changes when Dmitri spots Pepper – but all Pepper feels is jealousy, anger and betrayal when she sees that Dmitri is with Marie. Pepper convinces Dmitri it is time to let her go. She was never giving up her job, and he couldn't keep requesting her forever without eventually getting caught. On reflection Dmitri realises that Pepper needs him, even if she doesn't know it, and he thinks he needs her too. Meanwhile, Marie is angry that Dmitri hasn't returned any of her texts and her innuendoes fall on stony ground, affecting the days filming – as far as Dmitri is concerned there is only one woman he wants in his bed. Seeking advice from his friend John, he explains his predicament with regard to Pepper, but John's advice is to let her go and concentrate on Marie. It's what was originally supposed to happen. Marie was to be his conquest, his new love interest and potential wife – that was until he met Pepper. Pepper is devastated when she realises that Dmitri is not going to be her client for the night. Not only did he not request her, but he recommended someone else – John: she remembers John with a feeling of disgust and realises that she may be in for a night of hell. I just cannot wait for the next instalment; I didn't like John's character, so wonder how it will play out. Another excellent story, which I would have no hesitation in recommending. I received a copy of this book in exchange for an honest review.
