Review

“The novel’s grand finale is heart-stopping, unexpected and deeply unsettling.” (Washington Post)

“A literary powder keg.” (Huffington Post)

–“An exceptional spy thriller, well written and timely, weaving history seamlessly into a sumptuous page-turner of a novel.... Longtime fans will revel in familiar faces... and Silva’s understated but deft writing.... For newcomers, well, what are you waiting for?” (Colleen Kelly, Minneapolis Star Tribune)

“Silva builds suspense like a symphony conductor.... A winner on all fronts.” (Booklist, starred review)

“The Black Widow probably is the most important book of the summer, no matter who you are or where you live in America.” (Hugh Hewitt)

“Slow-burn suspense.... We stayed up way too late... but we justified the sleeplessness as a learning opportunity: amidst the action, Silva gives a surprisingly thorough crash course in the history of ISIS and the Middle East.” (iBooks Reviews)

“To say that Daniel Silva is a best-selling author is a bit like saying Henry Aaron was a decent home-run hitter.” (Dallas News)

“One of fiction’s greatest spies.... Allon remains as compelling as ever.... A dark thriller for difficult times.” (Kirkus, starred review)

“Fascinating, suspenseful, and bated-breath exciting.... Silva proves once again that he can rework familiar genre material and bring it to new life.” (Publishers Weekly, starred review)

“A stunning new thriller of high stakes international intrigue.... Silva’s most timely and powerful novel yet.” (Broadway World)

“A bit James Bond meets Jason Bourne and...sure to keep you on the edge of your seat.” (D'Marge)

From the Back Cover

Legendary spy and art restorer Gabriel Allon is poised to become the chief of Israel's secret intelligence service. But on the eve of his promotion, events conspire to lure him into the field for one final operation. ISIS has detonated a massive bomb in the Marais district of Paris, and a desperate French government wants Gabriel to eliminate the man responsible before he can strike again.

They call him Saladin . . .

He is a terrorist mastermind whose ambition is as grandiose as his nom de guerre, a man so elusive that even his nationality is not known. Shielded by sophisticated encryption software, his network communicates in total secrecy, leaving the West blind to his planning—and leaving Gabriel no choice but to insert an agent into the most dangerous terrorist group the world has ever known. She is an extraordinary young doctor, as brave as she is beautiful. At Gabriel's behest, she will pose as an ISIS recruit in waiting, a ticking time bomb, a black widow out for blood.

Her perilous mission will take her from the restive suburbs of Paris to the island of Santorini and the brutal world of the Islamic State's new caliphate, and eventually to Washington, DC, where the ruthless Saladin is plotting an apocalyptic night of terror that will alter the course of history. *The Black Widow* is a riveting thriller of shocking prescience. But it is also a thoughtful journey into the new heart of darkness that will haunt readers long after they have turned the final page.

About the Author

Daniel Silva is the award-winning, #1 New York Times bestselling author of *The Unlikely Spy*, *The Mark of the Assassin*, *The Marching Season*, *The Kill Artist*, *The English Assassin*, *The Confessor*, *A Death in Vienna*, *Prince of Fire*, *The Messenger*, *The Secret Servant*, *Moscow Rules*, *The Defector*, *The Rembrandt Affair*, *Portrait of a Spy*, *The Fallen Angel*, *The English Girl*, *The Heist*, and *The English Spy*. Instant #1 New York Times Bestseller

“Fascinating, suspenseful, and bated-breath exciting.... Silva proves once again that he can rework familiar genre material and bring it to new life.”

— Publishers Weekly, starred review

“Silva builds suspense like a symphony conductor.... A winner on all fronts.”

— Booklist, starred review

Bestselling author Daniel Silva delivers another spellbinding international thriller—one that finds the legendary Gabriel Allon grappling with an ISIS mastermind.

Gabriel Allon, the art restorer, spy, and assassin described as the most compelling fictional creation "since Ian Fleming put down his martini and invented James Bond" (Rocky Mountain News), is poised to become the chief of Israel's secret intelligence service. But on the eve of his promotion, events conspire to lure him into the field for one final operation. ISIS has detonated a massive bomb in the Marais district of Paris, and a desperate French government wants Gabriel to eliminate the man responsible before he can strike again.

Acclaimed novelist Daniel Silva has thrilled, entertained and educated readers with eighteen thoughtful and gripping spy novels featuring a diverse cast of compelling characters and ingenious plots that have taken them around the globe and back—from the United States to Europe, Russia to the Middle East. From its shocking opening to its explosive denouement in Washington, D.C., *The Black Widow* reveals itself as Silva's most timely and powerful novel yet. Following the success of his smash hit *The English Spy*, this electrifying thriller showcases Silva's consummate skill and brilliant imagination, and is sure to be a must read for his multitude of current and future fans.

Wow! What a book!!

By D.G.

I started *The Black Widow* yesterday and finished it today because I couldn't put it down – seriously, I only slept 3 hours last night because I had to keep going back to this book. I've read every book in Daniel Silva's Gabriel Allon series, and this is one of the very best. *The Black Widow* takes the issue of ISIS head-on, dealing with things that have occurred already, and things that could occur, but hopefully won't. This book really resonated with me because it brings most of the action to the United States for the first time in the Allon series – a nightmare scenario to be sure, but all the more interesting since we're the subject. Also, the plot line of this book is well developed, crystal clear, and keeps you on the edge of your seat. The book starts with a major act of terror by ISIS in France. In order to inherit a previously unknown Van Gogh painting willed to him by a prominent friend killed in the attack, the French government wants Gabriel to find the perpetrators. This leads the Office team to recruit a woman doctor in Jerusalem and train her to infiltrate ISIS. It's discovered that a major ISIS strike in the United States is imminent, and the intelligence services of Israel, Jordan, France, England, and the United States work together to try to stop it from occurring. Writing from Gabriel Allon's Israeli perspective, Mr. Silva is blunt in characterizing the strengths and weaknesses of the countries intrinsic to the story, including ours. He is so well-informed and prescient about what the bad guys of the world are up to, that whenever I read any of Mr. Silva's books I wish they were required reading for everyone in government. That all this brilliant insight is given to us in the form of a story so well-written and engaging is Mr. Silva's unique talent. I even devour the author's notes and acknowledgements – even these are interesting. I can't say any more than this – if international intrigue and a great story are things you enjoy, this book will give it to you in spades. Buy the book – it's great!

"It's only a matter of time before they hit us again."

By E. Bukowsky

Daniel Silva's "*The Black Widow*" is a tragically timely novel that is all the more unnerving because it mirrors current events. France is rocked by a wave of terror, and European leaders are desperate to prevent further carnage. Gabriel Allon, who will be the next chief of the Israeli Secret Intelligence Service, undertakes what he believes to be a vital mission. He and his colleagues convince Dr. Natalie Mizrahi, a Jewish physician who is fluent in French and Arabic, to pose as Dr. Leila Hadawi, a woman who is willing to sacrifice her life to help ISIS defeat its enemies. Natalie's handlers hope that she will funnel vital information

to them about planned attacks and the mastermind behind them.

The book is set in such locales as Beirut, Syria, Israel, Paris, Brussels, Amsterdam, and Washington. Silva focuses less on Gabriel and his team's heroics than on the inner workings of ISIS. We observe with fearful anticipation as Natalie tries to pass as a true believer, knowing that if she makes a single misstep, she will be summarily executed. The villain is Saladin, a brilliant strategist whose code name is that of the fabled warrior known for uniting the Muslim world and liberating Jerusalem from the Crusaders. "The Black Widow" is dramatic, suspenseful, and chilling in its depiction of the ruthlessness and brutality of radical extremists, who will not lay down their arms until they bring Western civilization to its knees. They are Internet savvy, use social media to their advantage, and employ advanced encryption programs to avoid detection.

Although there are scenes that depict Gabriel as a devoted husband and father and a talented art restorer, Silva concentrates more on politics and espionage than on personal matters. As usual, the author briefly recaps Gabriel's history for those who are new to the series. It is noteworthy that Allon's contributions to the mission are more cerebral than physical, since his days in the field may finally be behind him. "The Black Widow" is an adroitly crafted and dramatic portrayal of the ideological and religious war between ISIS and its adversaries. The democracies of the world are faced with a crisis. How can America and her allies hope to bring down sophisticated terror networks whose members are willing to do anything to advance their cause? Silva makes clear that, in an open society, it is impossible to protect every home, park, office, school, and restaurant from assaults by suicide bombers who eagerly embrace a culture of death. Daniel Silva has written a suspenseful, fast-paced, and frightening thriller that is likely to become one of his most widely read works of fiction to date.

THE BEST YET IN THE GABRIEL ALLON SERIES!

By A Journey Without Map

When our key operative in secret Israeli-intelligence, Gabriel Allon, was first introduced by bestselling author Daniel Silva in *The Kill Artist* in 2004, I never expected the protagonist to outlast his contemporaries. He easily did that and not only outlived them but is getting tougher and better. In the space of just twelve years, Daniel Silva churned out Gabriel Allon thrillers at a frenetic pace, taking the total to sixteen exciting novels – one every nine months - leaving the readers breathless with the pleasure of reading and anticipation. With each new installment, Gabriel Allon is growing stronger and there's no stopping him. The latest - *The Black Widow* - the sixteenth in the Gabriel Allon series is one of the best thrillers I have read in recent months.

The Black Widow by Daniel Silva takes the series to a new level as Gabriel Allon stands at a crossroad. He is no longer the same person. With the cycle of life catching up on him, he is happily married to Chiara, who recently gave birth to twins - Raphael, and Irene - he seems the average normal husband-dad next door. His field days are almost and he is set to take over as the new director in the Office. But when massive bombings ripped through a Jewish neighborhood in Paris, he is called upon to render field service one more time. With the same steely determination and strength, one is transported to Paris, Jerusalem, England, and the United States and back again as Gabriel Allon planned and executed a manhunt for the perpetrators. As the setting crisscrossed cities, countries and continents, Daniel Silva raised the tempo with each unfolding scene, taking the reader on a thrill ride that never relents. Several new characters are also introduced. Gabriel Allon recruited a young female called Natalie Mizrahi to infiltrate the ISIS network. While the bad guys play a crucial role in much of Silva's novels, *The Black Widow* has a villain who's a class apart from the rest, a character that many readers will love to hate.

I'm a huge fan of author Daniel Silva and his fictional character Gabriel Allon. I have read all the books in the series. While some of them are truly outstanding, there have been some mediocre ones as well, though their capacity to entertain remained. Yet, of all the books in the series, *The Black Widow* is definitely the best. The characters are formidable. The plot is mounted on a lavish scale and author Daniel Silva's writing is as sharp as ever, if not better. What makes the book so special is not just the twists and turns and the suspense and thrills but the refinement with which the story is told. There are no grey areas to doubt the authenticity of his description and setting. Marked by political trickery and driven by his passion to avenge, there is no dull moment reading *The Black Widow* by Daniel Silva.
