## Review

"A well-balanced and objective study of a subject that is often distorted with prejudice."  
-- "Political Science Quarterly"

"An admirable piece of work. . . . This book gives a fairly complete picture of the plight of the North Carolina free people of color."  
-- "

Commonwealth"

John Hope Franklin's classic study of the African American experience in North Carolina.

## Review

An admirable piece of work. . . . This book gives a fairly complete picture of the plight of the North Carolina free people of color.--Commonweal

A well-balanced and objective study of a subject that is often distorted with prejudice.--Political Science Quarterly

## From the Back Cover

John Hope Franklin has devoted his professional life to the study of the American South and African Americans. Originally published in 1943 by UNC Press, The Free Negro in North Carolina, 1790-1860 was his first book on the subject. As Franklin shows, freed blacks in the antebellum South did not enjoy the full

rights of citizenship. Even in North Carolina, reputedly more liberal than most southern states, discriminatory laws became so harsh that some voluntarily returned to slavery. When Franklin wrote *The Free Negro in North Carolina*, the subject of free blacks had received scant attention from scholars. Since then, however, the topic has generated a great deal of interest. In a new foreword to this edition, Franklin surveys the scholarship on free blacks that has appeared since the original publication of his study, and he reaffirms the importance of understanding the variations and complexities of the African American experience.

It is a great read, well researched and written

By Amazon Customer

It is a great read, well researched and written. However I was looking for genealogical information, of which there is very little and none of value to me. However that does not take away for the value of the book. John L. Whitney

2 of 2 people found the following review helpful.

I Highly Recommend John Hope Franklin's "The Free Negro in North Carolina"

By William D Howard

i am about to write a biography of my paternal ancestors who come from North Carolina. My apical NC ancestor lived from about 1799 to 1857 (the period covered by this book), and he was a free person of color (who owned his own business), but he was born a slave. I can hardly begin to tell you how much I learned about him and his descendants as a result of reading this well researched and documented book. It is written clearly, and I could hardly bear to put it down.

I definitely recommend this book!

Three Stars

By F W Hall

No fault to the author, it was not the book I was looking for.
