# **THE NUTCRACKER: COMPLETE BALLET IN FULL SCORE (DOVER MUSIC SCORES) BY PETER ILYITCH TCHAIKOVSKY, MUSIC SCORES PDF**

Tchaikovsky's enchanting Christmas fairy tale is his most popular work and, along with Swan Lake, the world's most frequently performed ballet. The work is a masterpiece of orchestration (including the historic first use of the celesta, in Dance of the Sugar-Plum Fairy) and is essential study for students of orchestral combinations and effects. Musicians will rejoice that previously difficult-to-find favorites like Waltz of the Snowflakes and Spanish Dance (Chocolate) are now available, along with the rest of this beloved score, in an affordable, single-volume edition.

Complete ballet score, amazing price, quite readable

By S. Neeper

At this price, how wonderful to have the complete ballet score with the original performance notes right there on the staves. The paper and print are quite usable, clear enough and large enough. Tchaikovsky's orchestration is ever more breathtaking, the closer you look.

At last: the real thing.

By MusicMad

I finally broke down and bought this excellent reprint of the full score. It completes my circle of "Nutcracker" appreciation: first as music (as a kid - two recordings and the piano pieces that drove my parents crazy), then as ballet (as a teen, the first ballet I ever saw), then as orchestration (as the celesta player

- "I AM Sugar-Plum!"), and now I can look at the score with full appreciation, with more than one exclamation of "So THAT'S how he did it!" Everything from the translated Russian to the French stage directions adds to the value of this highly affordable publication. A real joy.

Finally, an affordable complete Nutcracker!

By J. L. Harper

I have long awaited this publication. Shortly after I purchased the Nutcracker Suite from Dover 6 years ago, I wrote them multiple times asking them to consider publishing the complete work, but I was disappointed until now.

A reprint of an "Authoritative Early [Russian?] Edition," the score is very pleasingly engraved, close-spaced but not overly crowded. In the front, there is a translation of all the Russian notes that occur in the text, and all of the French stage directions are translated in footnotes at the bottom of the pages. Though it is over 500 pages, Dover has used paper thinner than their norm (yet with virtually no bleed-through), so the book is not too thick. It is, however, a little floppier than most of my other Dover scores. That, though, is a very small price to pay finally to own a full score of this most-popular ballet!

Finally, I can study the orchestration in some of the gems not found in the suite, such as the Waltz of the Snowflakes, Chocolate (Spanish Dance), and others--in an edition that is both affordable and well-made. I had been able to borrow a copy of the 2-volume paperback Kalmus edition (atrociously expensive for a student's budget) from my college library, and I was shocked at how poorly it was bound. The spine cracked after one or two GENTLE usings and pages were about to fall out. Such will not be the case with this Dover edition. I look forward to many years of pleasant study and enjoyment with this volume.
