THE SPENCER QUINN BOX SET #1: DOG ON IT AND THEREBY HANGS A TAIL (THE CHET AND BERNIE MYSTERY SERIES) BY SPENCER QUINN PDF

An eBook collection featuring the first and second novels in the irresistible New York Times bestselling series featuring canine narrator Chet and his human Bernie—“the coolest human/pooch duo this side of Wallace and Gromit” (Kirkus Reviews).

The Chet and Bernie mystery series belongs to the long tradition of two-buddy private eye stories, where one of the buddies is the narrator—for example, Holmes and Watson. The big difference here is that the narrating buddy is a dog, Chet by name.

In *Dog On It*, he and his partner Bernie investigate the disappearance of a teenage girl who may or may not have been kidnapped. Bernie and Chet have both had some setbacks in life—Bernie in combat, Chet in K-9 school—but together they make up a team like no other in the literature of detection. Chet is full of heart, and occasionally mischief, but always intensely loyal to Bernie—and dedicated to unraveling the mysterious disappearance of a high school girl who seems to have gotten mixed up with some very dangerous characters.

In *Thereby Hangs a Tail*, Bernie and Chet are called on to investigate threats made against an unlikely target—a pretty and pampered show dog named Princess. What seems like a lark of a case turns serious when Princess and her owner are abducted. To make matters worse, Bernie’s on-again off-again girlfriend, reporter Susie Sanchez, disappears too. When Chet is separated from Bernie, he’s on his own to put the pieces together, find his way home, and save the day.

What my dog sounds like plus great story!

By Dog Lover

I really liked the easy flow of these books. The mystery in each book was very good and kept me interested. The best part as a dog lover was how Chet talked, told the story AND solved the cases. This set contains books #1 & 2 of the series and is an easy way to read them both. A nice, easy enjoyable read.

Price is crazy!

By Anne Radke

I did LOVE the Dog On It (first in the series) but I can not believe the price of the rest of the books in the series. I have been waiting for over a yr to see the prices become reasonable and yet they stay ridiculously high. Too bad, as there's a lot of excellent books out there that are priced at reasonable prices. Spencer Quinn greedy is not a good thing! :(

Very enjoyable Detective Story -- with a Canine Twist.

By Amazon Customer

Great point of view -- the canine side of the Little Detective Agency! A friend was reading this on a cruise and told me about it. I immediately downloaded several of the Chet and Bernie series. I've read 4. I really enjoy them and getting them from the point of view of Chet, when he isn't chasing a squirrel or thinking about a Cheeto on the floor, or wondering what it would be like to grab the guy Bernie's interviewing by the pant leg, preparatory to sending him to prison to break up rocks in the hot sun.
