Praise for previous editions

"This highly recommended work provides a thoughtful yet comprehensive framework for the history of Christianity."

--George Westerlund, Library Journal

"Noll's treatment of the material is evenhanded, engaging, and illuminating. This will be a useful text for readers seeking a historical framework within which to understand their Christian faith."

--Publishers Weekly

"An informative and inspiring survey of the history of Christianity designed for the general reader. . . . A thoughtful introduction to the two millennia of Christian history."

--Richard V. Pierard, Church History

"Noll's emphasis on historical significance allows him to range well beyond the institutional and doctrinal matters that dominate traditional church history surveys. . . . A valuable text for church study groups and college-level, one-semester surveys of church history."

--James A. Patterson, Journal of Church and State

"Noll has pulled off a historical tour de force, giving his readers a sense of the overall story of Christianity while neither getting bogged down in the details, nor resorting to oversimplification. . . . [This book is] very helpful in introducing beginning students to the broad sweep of historical events. More knowledgeable students will enjoy it as well, as they ponder the reasons for Noll's choices and his assessment of the events

he describes."

--Donald L. Huber, Trinity Seminary Review

"Mark Noll's survey of key movements in the two millennia of Christianity is well written and judiciously selected. The book is designed for the relative newcomer to church history and would be an interesting read for the oft cited 'educated person in the pew.' . . . A fair and interesting historical survey, attempting to do right by all brands of Christians."

--Tim Bradshaw, Themelios

By Ian Lord

For those of us who have never lost our love of church history - this is a book you will not want to put down. Both scholarly and at the same time plain speaking I found this book an absolute delight, full of historic insights and always thoroughly informative. As one proceeds from one turning point to another, one is made fully aware of the often painful journey that the Christian Church has endured across the centuries. A fascinating read, I commend 'Turning Points' without reservation.

Great book to begin a study in Church History

By Ingrid Klasek

This book really helped in pulling together loose ends as I was researching material for an overview of Church History for a church class. Some other books were so overwhelming with information that it was difficult to sort out what would be most important to present in the short time we had. Noll is very readable, presents the facts in a concise and fairly unbiased manner and keeps it all very interesting!

Good information

By Amazon Customer

Good information. This book was a requirement for a class but I found the information interesting. The only thing I would have liked was an index in the back.
